

Famous firsts : the trendsetters, groundbreakers and risk-takers who got America moving! / by Natalie Rompella

Description

What do surfing, cheerleading, sled dog racing, water skiing, trampolining, flying disc throwing, skateboarding, BMX riding, snowboarding, and in-line skating have in common? Theyre all activities that were invented by imaginative Americans! (A book on "extreme sports" by an author that prefers badminton and tennis, not kidding its on the back of the book)
