

Indian : the life of Osage Waterman :

Wayne Penn-Schafer / by Joe Dunn

Description

Few men walk easily in two cultures, let alone the numerous worlds Wayne Penn Schafer inhabits. Fewer still do while creating friendships that crisscross the globe and link generations. If your interest lies in surfing, sailing, skiing, fishing, photography, music, real estate, networking, and/or living an active bachelor's life well into your ninth decade, you can stop searching Amazon's "How To" section now and dig into Indian. Everything you want to know about how to live life to the fullest, on your own terms -- with honor, integrity, fun, and goodwill -- is found in the adventures that make up the life, to date, of the Osage Waterman.
