

Joyrides: surf stories / by Chris Ahrens

Description

Joyrides brings the heart of surfing to life with stories about some of its greatest practitioners. Learn the truth about the death of surfing legend, Bob Simmons. Hear about artist Andy Warhol's quest for the perfect surfboard. Enjoy tales of legends like Paul Strauch, Rabbit Kekai, Greg Noll and Pat Curren. Other stories concern noble quests by surfers that few of us have ever before heard of. Forty-six stories in all. Outlaws, saints, wisemen, and fools harmonize to create a tone so wonderfully clear that it will be cherished by surfers and non-surfers alike for decades to come.
