

## Mark Warren's atlas of Australian surfing

**/ by Mark Warren**

### **Description**

From the warm, clear waters and unforgettable waves of far north Queensland to the cold and unforgiving swells of eastern Tasmania, Mark Warren's Atlas of Australian Surfing provides the most complete state-by-state guide to all the great surf breaks around Australia's coastline. A former world and Australian champion, Mark Warren has been surfing the great Australian breaks since he was a grommet growing up in Sydney. Now his 30 years of experience and knowledge have been distilled into this new edition of his bestselling guide to the Australian Surfing scene.
