

Basic Detail Report

Homemade Skateboard

Date

ca.1962

Medium

wood and metal

Description

Homemade skateboard made from a cut down 2x4 and that wheels are from metal skates. Description from Deed

of Gift- "I personally built this skateboard around 1962 when I would have been 12 years old. The boys in the neighborhood (in central Calif.) had read in the L.A. Times about them, but no photos then! Thus, the 2x4. Wheels from mid-1950s.

Dimensions

19.5"x3.5"x4"
