

The descendants : a novel / by Kauai Hart

Hemmings

Description

Fortunes have changed for the King family, descendants of Hawaiian royalty and among the state's largest landowners. Matthew King's daughters - Scottie, a feisty ten year old, and Alex, a seventeen year old recovering drug addict - are out of control and their charismatic, thrill seeking mother, Joanie, lies in a coma after a boat racing accident. She will soon be taken off life support.
