

Vintage sports t-shirts issue : my freedamn! 2 / photography and written by Rin Tanaka

Description

"My Freedamn!2" features the American t-shirt culture again. The t-shirt is undoubtedly one of the most amazing fashions by Americans, and they have always been part of American daily lifestyle. Also there is nothing but t-shirts to make us free and comfortable. So i want you t-shirt crazys to think about something; what is "freedom", or what is "freedamn"? We still have enough time to think about our future, dont we?
