## **Where albatross soar : a beachside story of waves and storms / by Bryan Knowles ; illustrated by Sherwin Mina**

### **Description**

We live in a world where new technologies are invented daily and the tools with which we interact, learn and live are ever-changing. Yet, one remarkable fact remains certain; that we exist at the mercy of Mother Nature and are forever awestruck by the humbling power and natural beauty, by which she affects us each and every day. Where Albatross Soar was inspired by that fascinating truth - written with the hope of encouraging our children to appreciate and explore the great outdoors for generations to come. This unique story takes the reader on an enchanting journey through the mind's eye of a

young, inquisitive child, who is particularly curious about waves and those all-powerful storms that create them. Written in rhythm with the sea, this beachside story is sure to become a favorite of your family. "With so much to explore and learn, from our vast oceans to our own backyards, I hope Where Albatross Soar inspires you to get out there, ask questions and discover the world around you. What does nature have planned for you today?" - Bryan Knowles (Author of "Where Albatross Soar" and "Surf Poetry")
