### Description

This surfboard is a striking and vibrant quad fish design, crafted from durable foam and adorned with a patriotic red, white, and blue color scheme. It stands out with its unique quad fin setup, boasting four glassed-on fins that enhance stability and maneuverability in the water.

Expertly shaped by the renowned Hobie Surfboards in collaboration with the legendary Terry Martin, it stands as one of the pioneers of the four-fin configuration. Notably, this board has a notable provenance, having once belonged to the esteemed surfer John Creed.
