Basic Detail Report

Morey Boogie #140

Description

Tom Morey said that the #140 refers to the date the board was made. He used the International dating system (?) which started in 1844 so that plus the board #140 = 1984 which is when the board was made. (conversation with Tom 10-19-17)

Dimensions

20.5 in; 40 in; 2 in; 20 in; 19 in; 1.5 lb
