

T-shirt 10th Annual Earth Day Surf Contest 2004

Description

T-shirt 10th Annual Earth Day Surf Contest 2004

According to Darryl (donor) the Earth Day Contest were all held in the south bay and mostly in Manhattan Beach.

Some were organized by the Dapper Dan's Surfing Association. Most of them only had 2 divisions, short board and long board and there were no age divisions which made for an interesting mix especially in the later years when there were so many good younger long boarders.
