

Waxed Planet (DVD)

Description

A surfboard and a bar of wax are still the formula for fun. JOin Seven Films' crew of award-winning cameras on tour from the beaches of CALifornia to Hawaii's high-charged lineups and Australia's wild West Coast; South Africa's J-Bay serves up epic pointbreak surf and ten-foot beachbreak barrels unload on Mexican sandbars; Jamie O'Brien's North Shore act is nothing short of amazing; and Tavarua holds it all down with a dose of Fijian dream surf at Cloudbreak. Summer is a year-round season, so grab your board and explore our big, wet, Waxed Planet.
