

The History of Australian Surfing (VHS)

Description

More than just a surf movie--this is the story of Aussie beach life told through surfing over 80 years! The origin of Australian surfing in 1915; the birth of the Surf Life Saving movement; early pioneers, bodysurfing and heavy wooden boards; the Malibu revolution of the '50's and 60's; the short board revolution and rebellion of the '70's; pushing the limits in the '80's and beyond; Australia's emergence in the '60's to dominate as professional World Champions to the present day.
