Waikiki Wedding (VHS)

Description

As press agent for a pineapple cannery, it's Tony Marvin's (Bing Crosby) job to turn a trip to Hawaii into pure paradise. The trip's been won by America's Miss Pineapple Girl, Georgia Smith (Shirley Ross), who finds the island's many delights spread before her. There's romance, laughter, a pet pig, and plenty of undulating grass skirts and tom-toms. It's all done up in the best Hollywoodian tradition, with costumes by Edith Head, first-rate production numbers and a sensational studio-manufactured Hawaii!
