

The Californians (DVD)

Description

Jamie Budge's Classic Surf Film from the late '60s, early 70s. The long and short of it...the late 60s, early 70s were all about change: in society, our surfboards and the way we rode them. From the perspective of "Four Years After" you could see how far we had come. The best of the old. The newest of the "new".
