

## Moments 2: A Short Film

### Description

Moments 2 delves into the individuality of Quiksilver's Global Surf Team. Go from urban sprawl to island perfection with Jeremy, have fun and sip coconuts with Dane, see what dreams are made of with the 11x World Champ (Kelly Slater) and get lost in the timeless groove of Ando. Though each rider's style is unique, the film captures moments in time of their common bond...surfing. Filmed in Indonesia, Tahiti, Fiji, Australia, Costa Rica, Mexico and Reunion Island with appearances from the new crop of Young Guns.
