

Siestas & Olas: A Surfing Journey

Through Mexico (DVD)

Description

Spend 90 days exploring Mexico's surf, sand and culture in a movie about fun, freedom and the joy of discovery. Follow four world-class surfers as they live the lifestyle most only dream about--for three months these adventurers drive their customized Chevy Suburban from the dusty Baja Peninsula to the tropical mainland's Puerto Escondido. Between the exhilaration of riding pristine waves, these men search for the next perfect beach discovering Mexico's warmth and beauty along the way.
