

Eyes To Sea A North Shore Experience

(VHS)

Description

Eyes To Sea is a documentary of Oahu's Famous North Shore. A child's dream becomes reality as this story unfolds. It's a visual journey to the ultimate proving ground for top surfers from around the world, and it shows why this is still the place after 30 years. It reveals what makes this seven-mile stretch of beach the most challenging in the world. A Todd Messick Film
