

Sounds Of Waves (DVD)

Description

"Sounds Of Waves" 3 Disc Set (Limited Edition) Includes Soundtrack, DVD and Blue-Ray. Plus a Dolby Digital 5.1 Surround Sound Mix. Film Synopsis: Sound of Waves explores the connection between the global impact of surfing and the universal appeal of music, crisscrossing the globe to find the best waves, the best surfers... and the best music. Sounds of Waves is a 3 year global surf odyssey filmed and directed by Luke Thorpe. Visiting the best waves in Portugal, Tahiti, New York, El Salvador, Bali, New Jersey, Hawaii, and Australia's Shark Island this Monumental Film explores the driving force of music and surfing. Never before has a film succeeded so well in capturing the delicate blend of life and style created by surfer and musician. Set to an epic Dolby 5.1 Surround Sound Mix you get to see and hear the best musicians playing live on location for the most authentic sound and experience. From Donavon Frankenreiter riding waves while playing guitar to Humble Soul in Hawaii, Sounds of Waves is as real as it gets. Enjoy Portugal's sensational Three & a Quarter, New York's [Papa] Seer and Florida's Scholars Word as they were meant to be seen & heard... In their element. Sounds of Waves was shot entirely in HD and captures some of the most amazingly sharp footage of the best riders including...Taj Burrow, Fred Patacchia, Mick Fanning, Donavon Frankenreiter, Manoa Drollet, Trip Patterson, Shane Dorian, Jordy Smith, Damien Wills, Jamie O'Brien, Benji Weatherly, Rizal Tanjung, Jason Shibata, Tiago Pires, Chip Jankow, Asher Nolan, Pepen Hendrik, Garut Widiarta, Matt Wilkinson, Chris Tomlin, and over a hundred others.
