

The Far Shore (DVD)

Description

The FAR SHORE by Gregory Schell In 1972, young Kevin Naughton and Craig Peterson took to the road with surfboards, camera gear and an untamable desire for adventure. For ten years they scoured the planet in search of perfect waves and the experiences only a traveler on the road encounters. This film chronicles their journey. Featuring original photos and super 8 footage from California, Mexico, El Salvador, Costa Rica, West Africa, Sahara Desert, Morocco, Ireland, France and Fiji. Here some of the reviews in case you are still not convinced that this is a must have for every surfer on the planet! "...Filled with surprises..it is the seamless totality of the project that make it a can`t miss. Music, discovery, stills and surfing fuse to make this the most pleasant surf media surprise I have had in years."
