

The Surfers Journal Volume 8, Great Waves Outposts: Featuring Grajagan, Jeffreys Bay, Tavarua. (VHS)

Description

This Special Edition of The Surfers Journal looks at three prime surfing destinations: Jeffreys Bay, South Africa, Grajagan Indonesia, and Tavarua Fiji. Oceans apart from one another, these three breaks are connected by the idea that perfect surf, while rare, is scattered to the four corners of the world and that the cartography of great waves remains an unfinished job.
