

Foam, early "Down Railer" model.

Date

1969

Description

This board was shaped by Mike Hynson for Johnny Gail and was airbrushed by "Starman". Gail is now deceased but was considered the kingpin for the Brotherhood of Eternal Love. Jeff Divine took a now famous shot of David Nuuhiwa and Johnny Gail at a home in Laguna Canyon where the "Brotherhood" was located. In the shot are several Hynson shapes, including this board.
