Description

This board was ordered by Duke Boyd, creator of the Bing ads (perhaps more well known as the founder of the Hang Ten clothing line). This is World Champion, Rolf Aurness' personal gun, and was ridden by Rolf in the big swell of 1969 at Makaha. Also used at Waimea Bay and in the '69 Duke Invitational! Unique "S" deck, black pinline on lap and deck patch. Subtle "Foil" Bing shield logo only. Glass on high performance fin.
