

Barry "BK" Kanaiaupuni gun model

Date

1975

Description

Period BK's are prized by Seventies collectors and here's the rarest of the rare: a fully restored Barry Kanaiaupuni gun built specifically for Waimea Bay. Why so rare?

Because BK, known as the king of Sunset Beach and one of its greatest all-around performers, reportedly rarely surfed Waimea Bay and its short but fearsome elevator drop - from the Auction catalogue
